Hard-working, willing to learn, great work ethic, physically competent, great personality!

EXPERIENCE

Dates Employed	Job Title	Company
9/2022 - Present	<u>Cell Lead</u>	Autoneum (Borgers) Norwalk/OH/US
	Lead group of operators to make good quality/quantity of felt based car parts, trouble shoot press when problems arise such as computer analysis, physical labor to fix mechanical issues, asking for help on something over personal control, heavy lifting and constant physical work Promoted to Cell Lead from operator after 2 days of working there based off work ethic and willingness to learn Over the past year and a half, lost 85lbs from great work ethic Most of the time has the best running cell that has produced the most quantity/quality of parts	
11/2019 - 8/2022	Quality Control Inspector	Precision Automotive Plastics Bellevue/OH/US
	Fine eye for detail, catch part defects, make sure operators are correctly doing their job to produce good quantity/quality parts, gauge and weigh parts to make sure they are in tolerance, if not in tolerance, must take immediate action to fix problems Promoted to Quality Auditor before one year of employment at Precision, caught mistakes that reached back to previous shifts, numerous times	
5/2017 - 9/2019	Bank Teller	Croghan Colonial Bank Clyde/OH/US
	Keep drawer balanced all day, excellent customer service, consulting about products and services Became digital expert of branch to guide customers on electronic services such as online banking and apps Persuaded customer that was moving away with \$26K in deposit accounts to stay at Croghan and use digital banking features, during digital expert meeting at main branch, was given a shout out for that customer interaction
